## **DETAILED ACTION**

## Allowable Subject Matter

1. Claims 1 and 3 - 26 are allowed over the prior art of record.

## Claim Rejections - 35 USC § 101

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 27 - 31 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter.

Although the claims now recite a non-transitory machine readable medium; a medium cannot <u>comprise</u> steps. A medium needs to <u>embody</u> instructions or <u>encoded</u> with instructions which when executed cause a computer or processor to perform the claimed steps. As presently recited the claimed medium by it self is non-statutory since any medium cannot comprise steps.

## Response to Arguments

3. Applicants' amendments respect to the rejection of claims 27-31 in the previous Office Action under 35 U.S.C. 101 have been fully considered and are persuasive. Therefore, that rejection has been withdrawn. However, upon further consideration, a new ground of rejection is made as stated above.
